PHI

introduction

Dynamic, proactive and professional, these are the three words we would use to best describe ourselves. In a world of uncertainty, short-notice changes and bureaucracy, we are here to help our customers develop their economic and financial potential in an optimal way. At the core of our business lies the mathematical perfection beneath everything that surrounds us, also known as Phi.

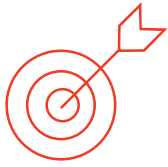

People have known Phi for a long time. Our ancestors encountered it and incorporated it in art, literature, architecture, as well as in the spiritual aspects of life. We seized its perfection and fused it into our DNA, transforming it into both a statement and an aspiration. We're Phi Fiduciaire and we deliver excellence through our each and every service.

vision

At Phi Fiduciaire, we aim to help people benefit from a customized financial experience, specially tailored for them and their business's needs.

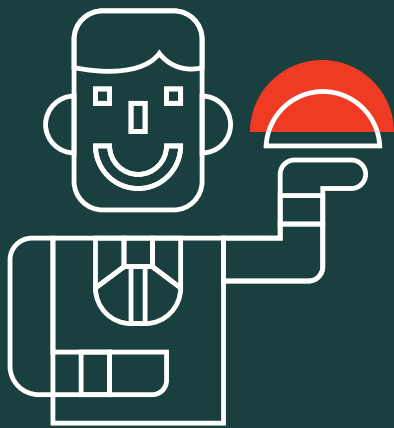

mission

We dream of happy customers and we know our input in this equation is the most significant one. Our expertise, as well as our ability to empathize with our customers have opened plenty of doors for us, constantly teaching us how to provide people with the optimal solution for their demands.

values

On our daily road to achieving excellence, we never forget to carry along with us our ubiquitous attention to details, as well as our dedication to our ethos, work and clients. We have been endowed with a clear & crisp vision on how professionalism looks like. We are passionate about our job and we want to provide our clients with the constant feeling that we are here for them, whenever they need our guidance. Through our top-notch services portfolio, we ensure a high accountability for everything we offer.

THE SERVANT

The unifying quality of the Servant is a calling to service for the benefit of enhancing others' lives, this archetype's duties being performed in fields that can range from domestic to government or business. In supporting the well-being and empowerment of people and community, the Servant feels a deep responsibility to contribute positively to the world. A diligent and dedicated helper, the Servant is a humble steward, freely choosing to serve and to satisfy.

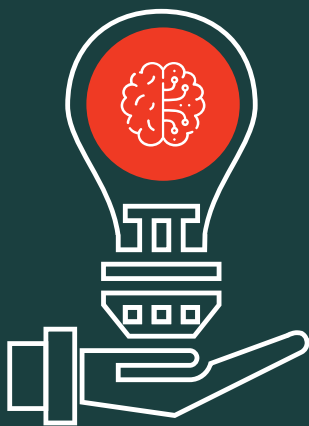

Strengths:

service, ability to listen, empathy, awareness, commitment to the growth of others, talent for community building

Goal:

To enhance others' performance by delivering information essential for their proper functioning.

brand archetype

THE SAGE

The Sage gently shares great wisdom with compassion and mercy so that teaching may facilitate a path where mistakes are not repeated. This archetype combines objective analysis with a capacity to weigh many factors and the inclusion of expert opinion while inherently remaining a pragmatic skeptic. The Sage possesses great knowledge gained from deep experience.

Strengths:

wisdom, intelligence, truth seeking, clarity of thought, rational decision making, prudence, talent as a diligent researcher

Goal:

To provide the customers with clarity and research based solutions, taking into account their needs.

logo

PHI
FIDUCIAIRE

The logo is the brand's first contact with the outside world and with potential customers. Encapsulated in its core lies the story behind the brand, as well as how the brand wants to be seen and perceived by the audience.

When it comes to Phi Fiduciaire's logo, we see meaning, simplicity and elegance. Phi stands out through both its symbol and its considerably large size, accentuating the perfection we strive to achieve.
